WHY NOT COME DOWN TO THE BEACH NEXT WEEKEND? REMEMBER – IT'S ALWAYS A BEAUTIFUL DAY AT THE BEACH!

Beachcombing, sandcastle building and simply spending time with the family – these are just a few good reasons to come to the beach. The Lincoln City Visitors' and Convention Bureau maintains a great website with information on all kinds of activities, such as art shows and attractions at the Oregon Coast Cultural Center in the historic Delake School building, cooking classes at our new Culinary Center on the top floor of the city hall building, and much more. Just visit their website at <http://www.oregoncoast.org> for details. Another great website to visit is Chinook Winds Casino's site at <http://www.chinookwindscasino.com>. There's always a lot of action at the casino, including some exciting live entertainment coming up, pool tournaments, dancing, sporting events and all kinds of activities for adults and kids alike.
